

Rain Jacket

Our original Dryflip Jacket sold out within weeks of appearing on Shark Tank, and now version two is back with several critical improvements. Durable water-resistant nylon fabric, water-resistant zippers, under-arm grommets for breathability, scuba hood with adjustable elastic cord locks, and our patented Quikflip® conversion technology so you can convert the jacket into a functional backpack when the rain fades and the sun comes out to play!

Material

- 100% durable nylon (330D) with interior PU waterproof coating
- Water pressure resistant rating = 10,000mm
