

Windbreaker

Soft to the touch, versatile, and great for layering, the Dryflip Windbreaker packs easily and is great for all weather conditions. Constructed in 100% lightweight breathable polyester with a front zip closure, interior water-wicking coating, scuba neck, mesh-lined 3-panel hood, welt pockets and our patented Quikflip® conversion technology, your new favorite windbreaker has arrived!

Material

- Lightweight breathable 82 gsm (2.4 oz) 100% polyester fabric
- Water-wicking (600 mm) interior coating (not intended for rain protection)
- Standard double-drawcord backpack straps (non-adjustable)
- 3-panel scuba hood with fine mesh lining
- Reverse coil zipper with rubber pull tab
- Welt pockets with mesh pocket bags
- Lightweight breathable backpack lining makes straps undetectable in hoodie form
- Locker loop in center back
- Elastic cuffs

Windbreaker

Sizing

Unisex sizing, regular fit. Men stick with your regular size. Women, please size down.

Care

- Flip garment inside out to minimize pilling
- Machine wash (gentle cycle) cool with like colors
- Do not bleach
- Tumble dry low
